PINK IS STRENGTH!

OtterBox announces the limited edition pink and white Commuter Series "Strength" case for the *Avon Breast Cancer Crusade*.

For the millions of lives affected by breast cancer each year, strength is more than just a word; it is a way of life. Strength is the courage to persevere, the power to fight and the determination to endure.

To support the cause, 10% of the purchase price from each OtterBox Commuter Series "Strength" case will be donated to the *Avon Breast Cancer Crusade*. Funding will support finding a cure for breast cancer and advancing access to care for all, regardless of ability to pay.

For more information visit: **www.otterbox.com/strength**

FEATURES
